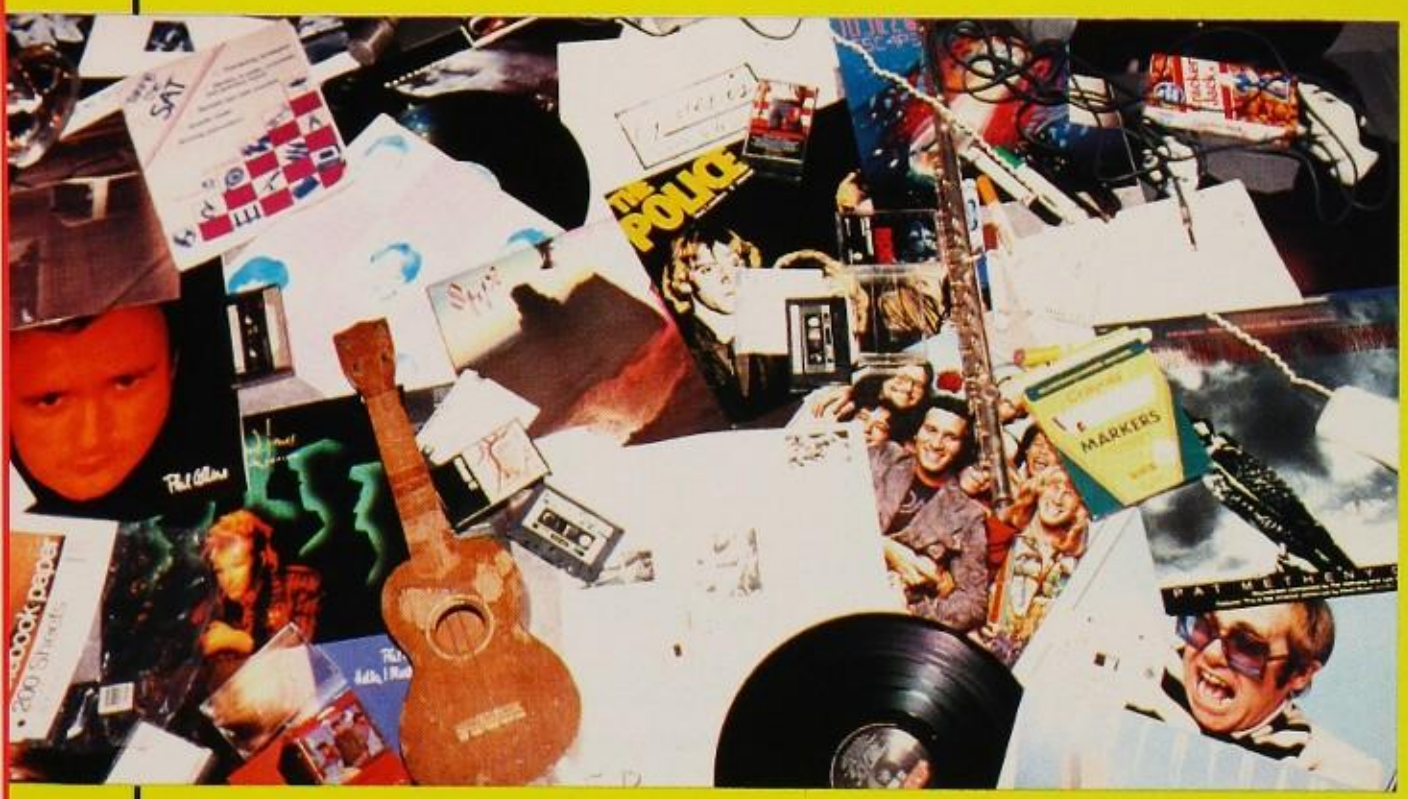
HUSKIES



Every generation has its own personality and style. History may repeat itself, but there is one thing that remains unique with each new era: Music.

By listening to the music of past generations, we can feel the trends of the time. From ragtime to rock and roll, every mode of music has something to say.

The 1985-86 El Camino Staff has chosen music as the theme for this annual. With every year, there comes a fresh and daring new sound. What can represent *our* generation better than the music we dance to, the sounds we make, and the words we sing?

In the fall of this school year, 400 randomly selected students were asked to name their favorites in the music industry. The results can be seen on pages 4, 5, 214, and 217.

LOVE

Love is a word that's not easy to say
The hope of forgiveness when one has betrayed
In marriage, in friendship, in brotherly love
Who knows what this four letter word is made of?
This sparkling moment when two lovers embrace,
One's first love is something that cannot be erased.
The first hug, the first kiss, the first walk alone
The sweet words "I love you" are romantically shown.
The excitement, the butterflies of falling in love
A match made in heaven by the great one above.
How long will this feeling of care really last?
Is it something that ends when summer has passed?
The smiles that were shared, the vows exchanged
Who knows how long love honestly remains?

by YVETTE CIARAMILO

THE VIOLET AND THE ROSE

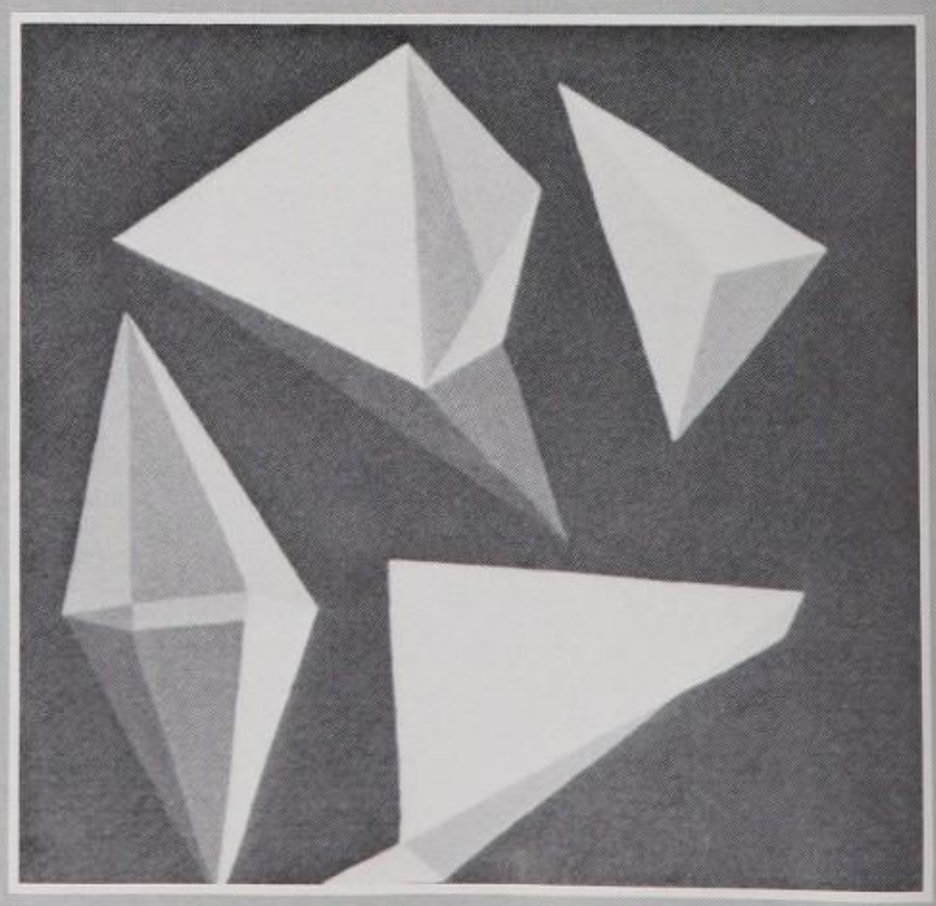
The violet
So wild and free
Is hidden where
No man can see.
But glorifies itself
Just by being there.
The rose is grown
Where all can see.
Eyes look and watch
Most tenderly.
But the truth is dawning
With the morn
That every rose
Must have a thorn.

by JUDY PHAM

JIM SNIDER

There is love and friendship
Between two
There is caring and sharing
Between two
There are best friends
Me and You

by MISSY MATIAS



DEBI YUKELSON

The flowers sway gently in the
soft summer breeze.
As we walk hand in hand,
between the great pine trees.
The birds fly high and sing above,
singing of our gentleness and our love.
The small animals scurry
and gather around us,
The beauty of the forest
has finally found us.
But when the loveliness ends and
comes the morrow,
Will the happiness end
and in its place be sorrow?

MARK

Remember me. Although you
Cannot see me, I'm with you.
When you look in the mirror,
Look for me, I'm there. . .in you.
When you cry think of me,
I will be there for you.
When you're alone, close your eyes,
And I'll be there.
So you see, although
You can't always see me,
I am here. . .
Remember me.

AT NIGHT

Hidden beneath a hallowed hell
And screaming out in mournful pain
The evils of the night do dwell
These creatures of the night do reign.

Masked by the shadowed gloomy darkness
Shivering cold in the blind rain
The echoes loud with piercing sharpness
The creatures of the night do reign.

They bawl and howl throughout the night
But in the morn only blood remains
Splattered across the walls of white
The creatures of the night do reign.

LAMENT

Beneath the surface
My heart desperately cries
I cover it up
with large white lies
My body aches
with confusion
tricking people
with a facade of disillusion.
My face and presence
show a tough exterior
though inside myself
I feel quite inferior
I sit here and hope
My troubles go away
So that I can be
Happy someday

CRICKET THURSTON

REBECCA CLINGER

WHICH ONE?

She lit the cigarette with a stroke.
Raising it to her outstretched lips.
The air filled her burning throat.
The time had come for her to stop.

Smoking was her obsession.
Stopping was to be her lesson.
It was a life or death situation.
Which one would she choose?

Friends, pressures, fears had she.
How could this happen to me?
Her world was utterly shattered.
But smoking, to her, was all that mattered.

The touch, the feel, the taste she wanted -
Her want was soon to be extinguished.
The choice was hers to choose
For her life was the only thing she would lose.

SLOW POKE

The car in front, it moves too slow.
I honk and honk, but I don't know
Just what this fool is thinking of
Or just what cloud he floats above.

What will it take to wake this man
before I hit him with my van?
It's ten o'clock, I'm late for work.
I'm gonna kill this stupid jerk!

Well I'll be damned, what's this I see?
He's just become aware of me.
It's no surprise 'cuz holy smoke—
I've honked my horn until it broke!

He's moving left across the line
And with a smirk has hit a sign.
That's what he gets for bugging me.
If he's not dead, he ought to be.

You gave me my wings
and taught me to fly.
You didn't hold back,
you showed me the sky.
You gave me the world
on a silver tray.
You taught me of love
and the games people play.
You gave me the strength
to stand alone
And the confidence
to make it on my own.
You gave me it all,
but you'll never know
Just how much
you've helped me to grow.

CHANCE TO GROW

I'm caught in a world of helping hands
With lots of love and few demands.
Can't they see they're hurting me so
by sheltering me with love they show?
I guess I'll have to live with it —
until my time comes.
But maybe then
I'll have a chance to grow.

ANANDA LOWE

He told me that he loved me
On that cold December day.
He held my hand so gently
As we strolled along the bay.

He told me that he loved me
Yet to me it felt all wrong.
I loved him, yes, but then again
My feelings weren't as strong.

He told me that he loved me
Then he softly heaved a sigh.
I knew he realized how I felt
And we both began to cry.

One of the highlights of this school year was hosting the 2nd Annual Coastal Choral Celebration with Wilton High from Connecticut. Pam Ling and Michelle Ling both sang and accompanied performances.

BABY I'M A STAR PRINCE

The 1985-86 school year was an interesting one for North Hollywood High's drama club. The main production of the first semester was a successful performance of "Rasputin," a satirical five act play by Nathan Jensen and Matthew Poppe. The second semester brought about a change in the traditional structure of Harlequins/Thespians. Instead of an acting troupe, the club consisted of a small group of producers and directors whose primary purpose was to give one lunch production every other week. Each director assembled his or her own cast from the student body, thereby reaching their goal of striving for professionalism.

Sax To The Max

The Royal Regiment Band, Drill Team, and Color Guard began practicing several weeks before school started. Their field show consisted of the songs *Fanfare from E.T., I Don Quixote, Samba Nova, Swing Street, Theme from the Road Runner, I Go to Rio,* and *God Bless the U.S.A.* The Royal Regiment performed often during the year at every football game, a rally for the entire student body, and several competitions. One of the toughest challenges of the year was when the students, combined with those from other schools throughout the district, persuaded the school board to sponsor the City Championships that they had previously canceled. On December 7, the Royal Regiment again took first place at the preliminaries to the District championships . . . next stop the finals at the L.A. Sports Arena.

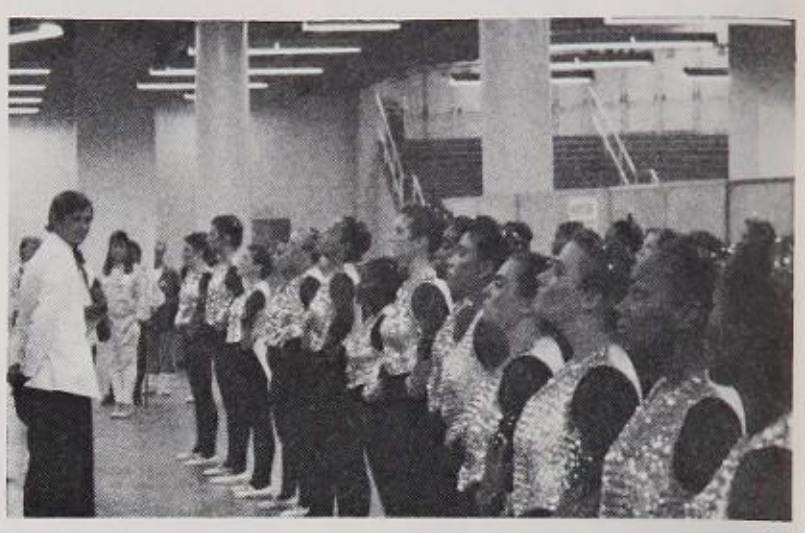
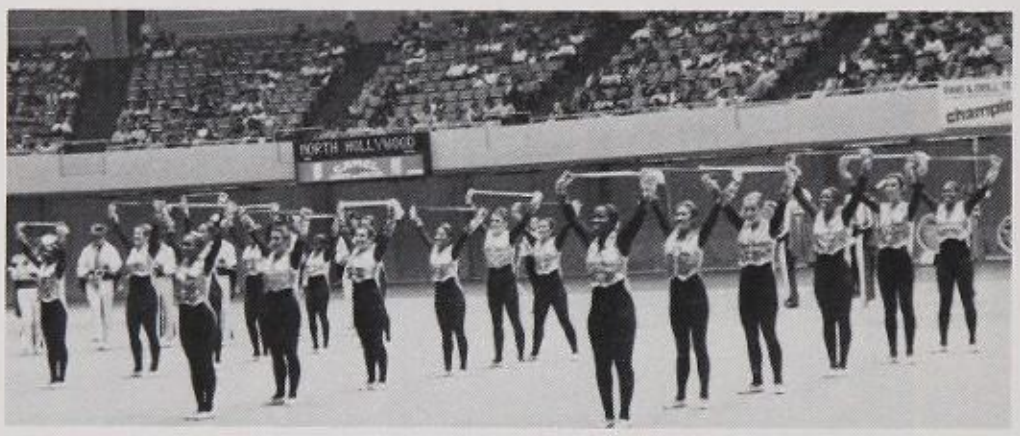
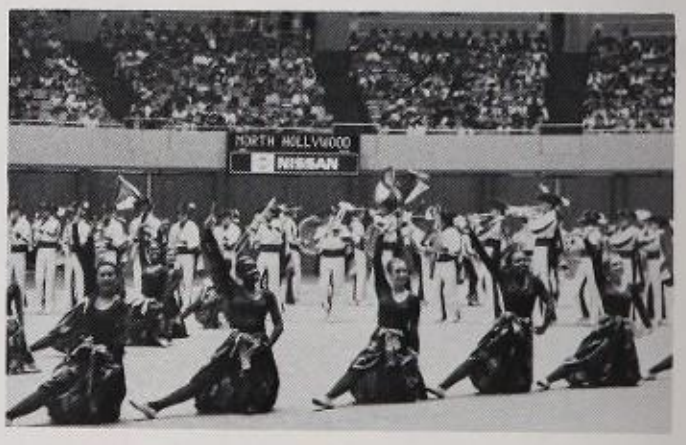
WE ARE THE CHAMPIONS QUEEN







On January 25, the Royal Regiment competed in the LAUSD's Band and Drill Team Championships. Anxiety was high because everyone was trying to knock off the defending champions, North Hollywood High. Hours after their performance, North Hollywood waited for the results to be announced. Again, the Royal Regiment met the challenge posed by the other schools in the 2A Division, Belmont and San Pedro, and captured their second straight City Championship! Way to go North Hollywood!!!

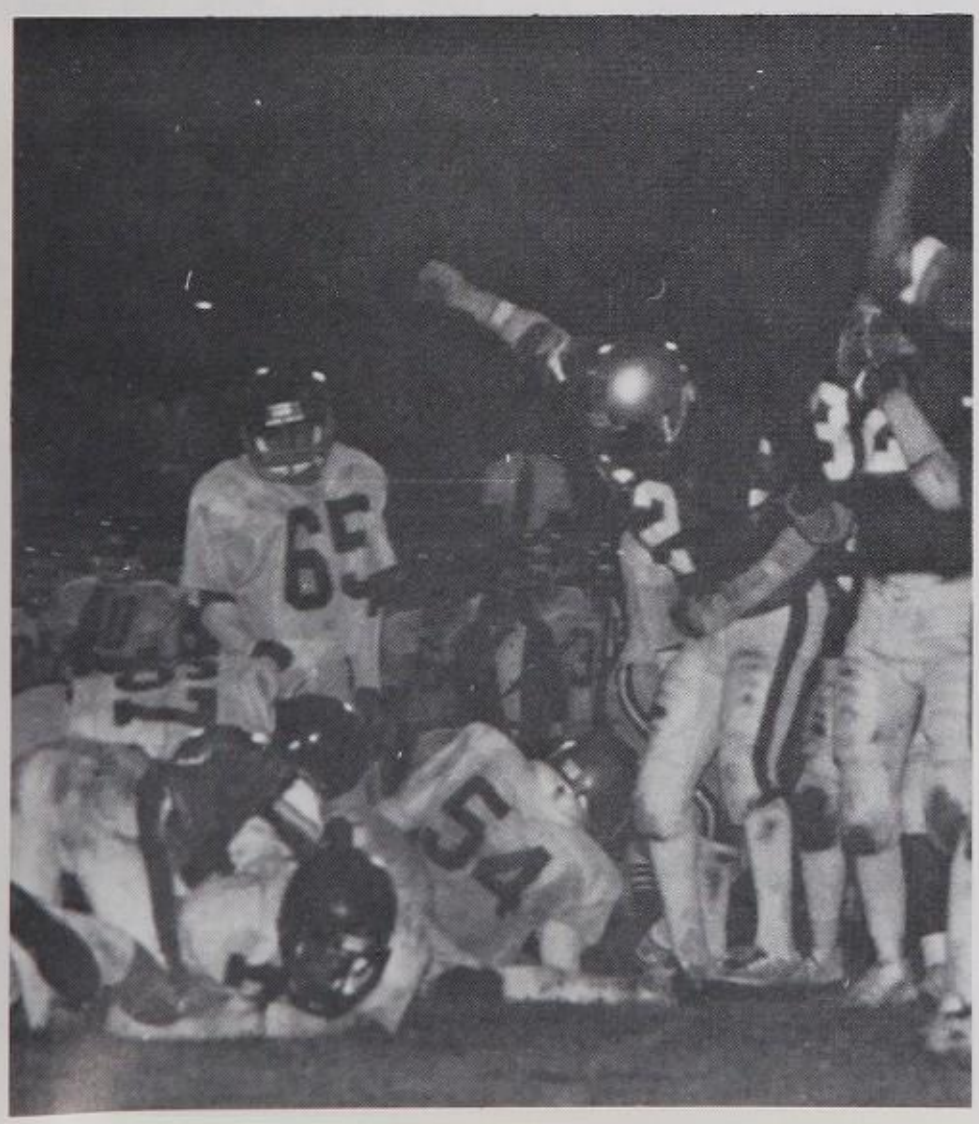
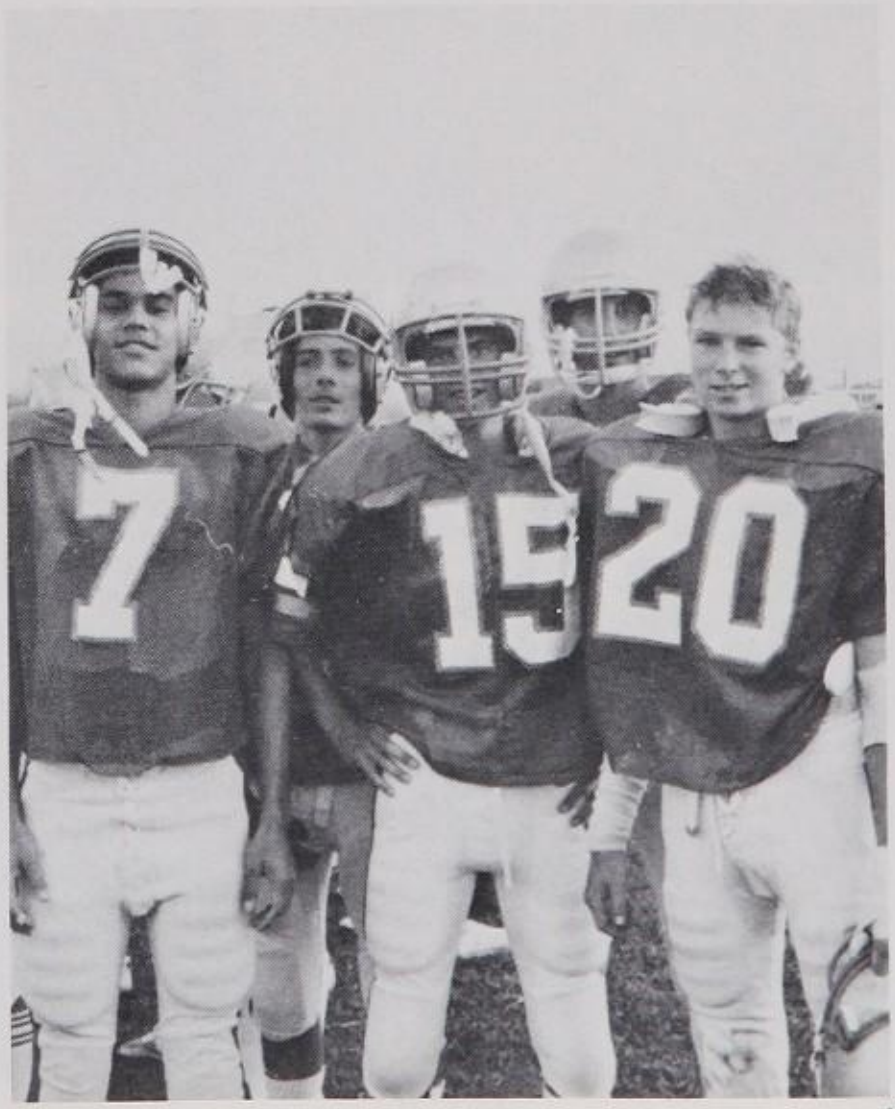
BEES FOOTBALL





Although competition this year was tougher than ever, the Huskie Varsity Football Team enjoyed a season with many highlights. The Huskies beat the Sylmar Spartans 10 to 7, and the Reseda Regents 3 to 2.

Some of the outstanding players included the following: Matt Lewin, center and defensive tackle, who made all league, first team selection. Pookie Conner played offensive running back and defensive left outside linebacker. Glen Raasch played defensive middle line backer, and offensive full back. Both Glen and Pookie made all league, second team. Also, Jesse Hilton, defensive end, received an honorable mention for league.

Three more outstanding players were; Allan Martia, who played running back, kickoff, and punt returner; Robbie Krumm with 3 interceptions; and Steven Chuck who did an outstanding job as our field goal kicker. All in all the Huskies tradition of individual excellence lives on!

The 1985 BEES were the most memorable team ever coached. They were a group of young athletes who were inexperienced, yet they worked extremely hard and maintained the attitude that they were not going to be anything but successful. The hard work paid off as they scored more points than any other BEE team coached in North Hollywood's history (182). Their overall record was 6-3-1. With the help of Jason Pierson (Receiver), and Brian Hall (Runningback), the Huskies came in 3rd place in their league. Other outstanding players were: Salvador Nunez (Quarterback), Tom Freas (Guard), Ken McCarty (Tackle), and Israel Peralta (Fullback).

This team will remain in everyones memory as one of the finest and hardest working teams in N.H.H.S. history.

TO:
Jell, our
ay at

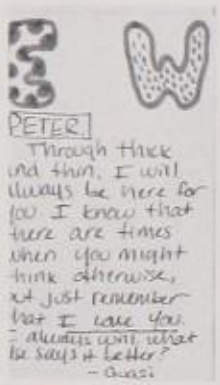
nd, and it's time to
love on. We're all
oing our separate
ays from here. It's
ing to be hard to
ay goodbye. I could
ever have made it
his far without
ll of you. Think
bout me wherever
u go, because I'll
e thinking of you.



PETER
Through thick
nd thin, I will
lways be here for
ou. I know that
here are times
when you might
hink otherwise,
ut just remember
hat I love you.
- Always until what

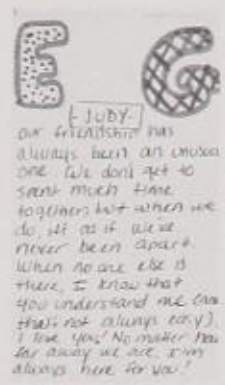
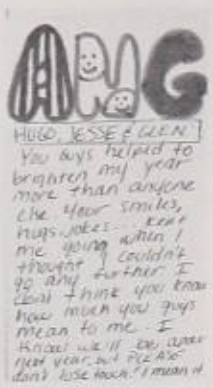
DOMINIQUE & KAREN
I can think of two
words that sum
up our friendship:
- FROZEN YOGURT-
(where would we be
without it?) I love
you guys more than
the world I wouldn't
trade in our times
together for anything
(Remember I will do anything
I wouldn't do) - Marnie

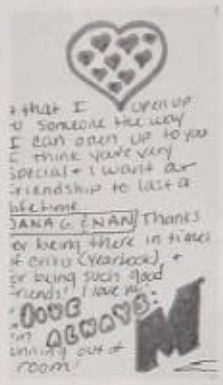


JUDY
our friendship has
always been an unsure
one. We don't get to
spend much time
together but when we
do, it is as if we've
never been apart.
When no one else is
there, I know that
you understand me (no
that's not always easy).
I love you! No matter how
far away we are, I will
always here for you!



HUGO, JESSE & GLEN
You guys helped to
brighten my year
more than anyone
else. Your smiles,
hugs, jokes... Even
me going when I
thought I couldn't
go any further. I
don't think you know
how much you guys
mean to me. I
know we'll be over
next year, but please
don't lose touch. I mean it

JONATHAN,
My baby is finally
graduating from
High School (Like his
mother). I love you
sooooo sooo much.
(and I'll drive you
anywhere you want).
CHRIS B.
- For some reason, I
think we could talk
together forever if we
were given the chance.
I treasure these talks
we've had. It's not often.



that I
I can open up to you
& think you're very
special + I want our
friendship to last a

WE'VE LEARNED ALOT
FROM THEM, BUT STILL

I will always be grateful to you for what you did for me on January 31, 1986. The three of you are the best friends anybody could ask for. Jesse - I'll miss you too, and I promise I'll come see you (since you live so close). You guys are the best!

DEVON -
There are no words to describe what I feel about you, and want to say to you. You are the best brother in the entire world. There's nobody else that would listen to all my crap, the way that you do. You're so special to me, please take care of yourself!! I will always be here for you when you need me - don't forget it! Your friendship matters to me more than anything in the world. I'm so happy that you'll be here next year. By the way, how's your jaw feel? Ha Ha!

GLEN - (Noodle)
I'm so grateful for our friendship. But, what you did for me can never be repayed, I just hope that you know how much, I care, and always will. Well, Mr. Mateksy, I'll tell you again (and this year's Class Sent proves it), you have an incredible body! Lydia, Five years have gone by and you're still the bestest friend I've ever had. We have had fun times in our 10th and 11th grade years. I know we'd have more in 12th but you're moving away. That doesn't mean we'll still not have fun. Gosh! You know what I just realized. I'll have no one to write me confusing letters to. No you can write me one every once and awhile, since we're going to keep in touch. Now I'm starting to become sad. I don't want you to move so especially so far away. Hey! But I'll program some and give you a surprise visit. I'll just come and kidnap you and take (drag) you to Canada for the weekend. I'm going to miss you!!! Kris Kringle (a.k.a. Cristina)

THE YEAR IN REVIEW

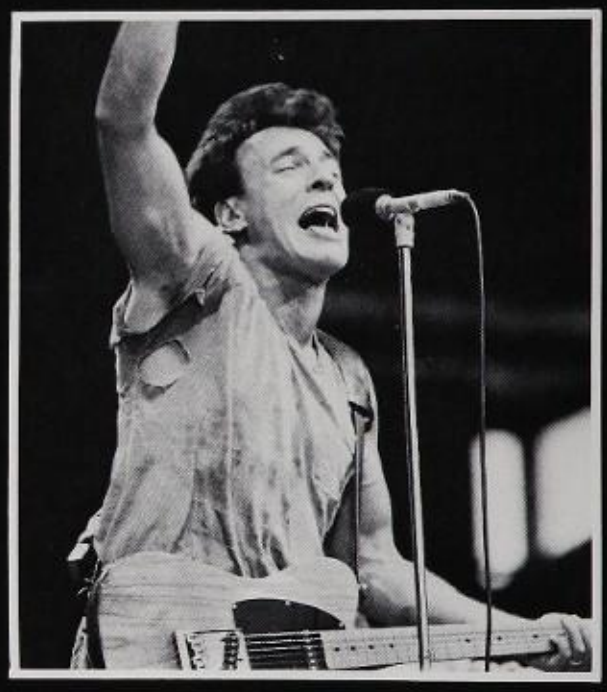
A RECORD BREAKING YEAR

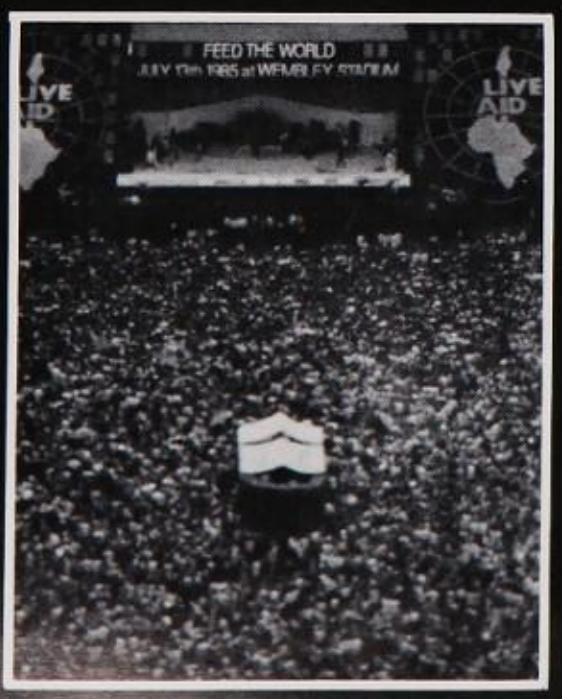
A record number of airplane-related deaths was a result of the numerous plane crashes throughout the year. A **Delta Airlines** jetliner crashed near Dallas in August, killing 137 people *(left).* Thirty-four people survived the crash but five died of injuries later.

After completing a record-breaking world tour, blue-collar troubaour **Bruce Springsteen** *(below)* was the undisputed Boss of rock n' roll. His songs about Vietnam veterans, steel workers and factory workers hit many responsive chords with all ages of Americans.

CHARITY IS IN

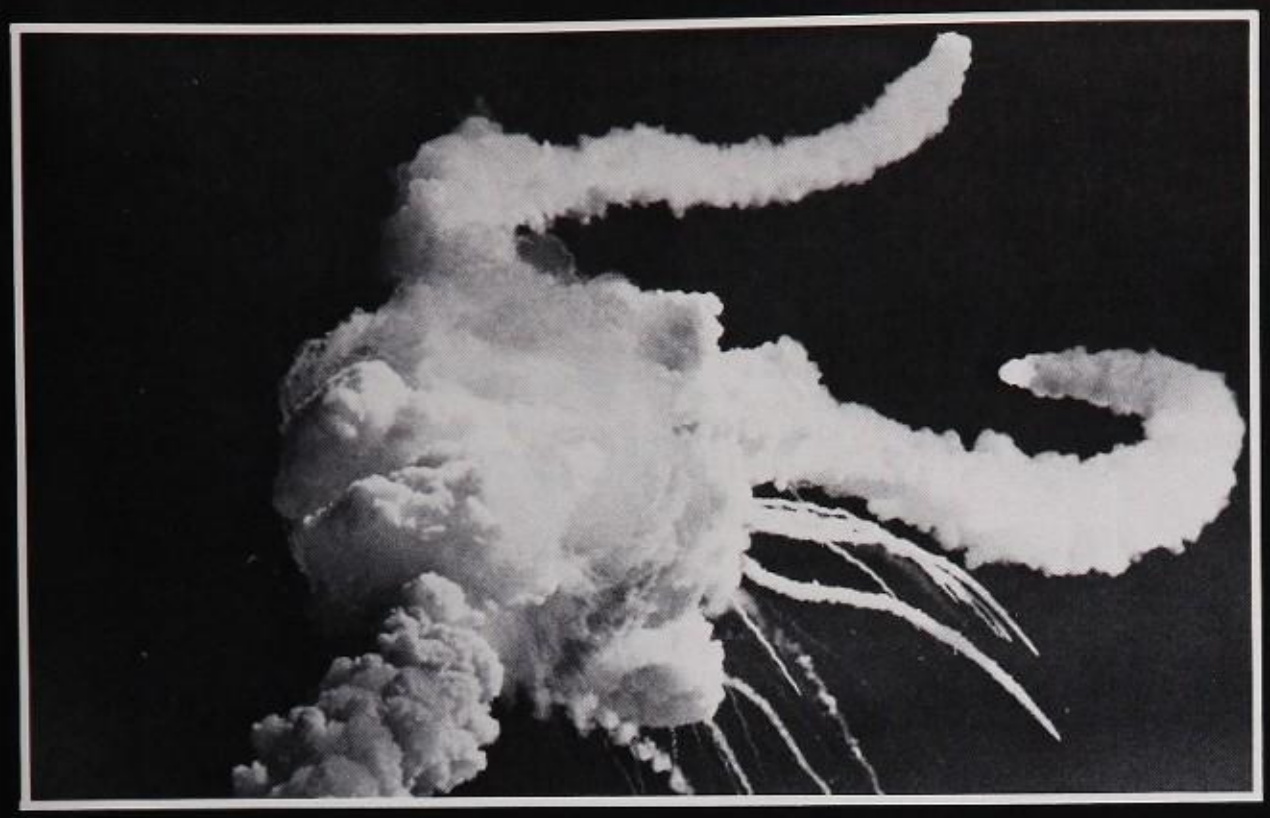
For the starving, 45 top artists produced the **USA for Africa** album, poster, video, and $37 million plus. Then there was the **Live Aid** Concert on July 16, which consisted of 16 hours of non-stop rock that produced $70.5 million to save lives in Africa. *(below, left)* Some 50 country and rock performers with actor emcees put on a 15-hour show in Illinois to harvest $10 million and legislative support for American farmers **(Farm Aid). Hermanos,** a brotherhood of 60 Latin artists, held a recording session in April '85 to raise money for the hungry in Latin America and Africa. Canadian artists formed the **Northern Lights for Africa Society. Artists United Against Aparthied** released *Sun City* in October to support Black South African activists. At New York's Metropolitan Opera House in November, 25 stars sparkled in a $1.3 million **AIDS benefit.**





STUDENT SAFETY BECOMES MAJOR COMMUNITY CONCERN

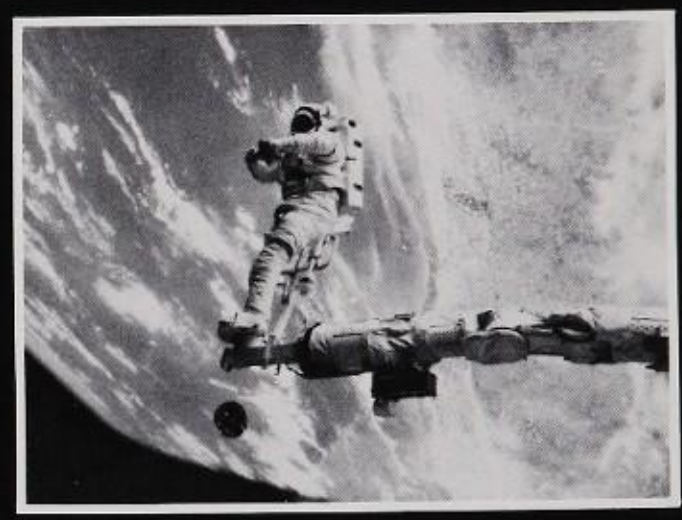
After the September 13 traffic accident in which three N.H.H.S. cheerleaders were struck by a car in a crosswalk, much attention was directed towards student safety at the **Magnolia-Morella intersection.** Students, faculty and community members began an intense crusade (including petitions, special meetings with the city councilman's office, stickers and flyers) to install a traffic signal at the crosswalk. Their efforts were rewarded when groundbreaking was scheduled to begin in April, 1986.



SPACE PROGRAM ACCOMPLISHMENTS/TRAGEDY

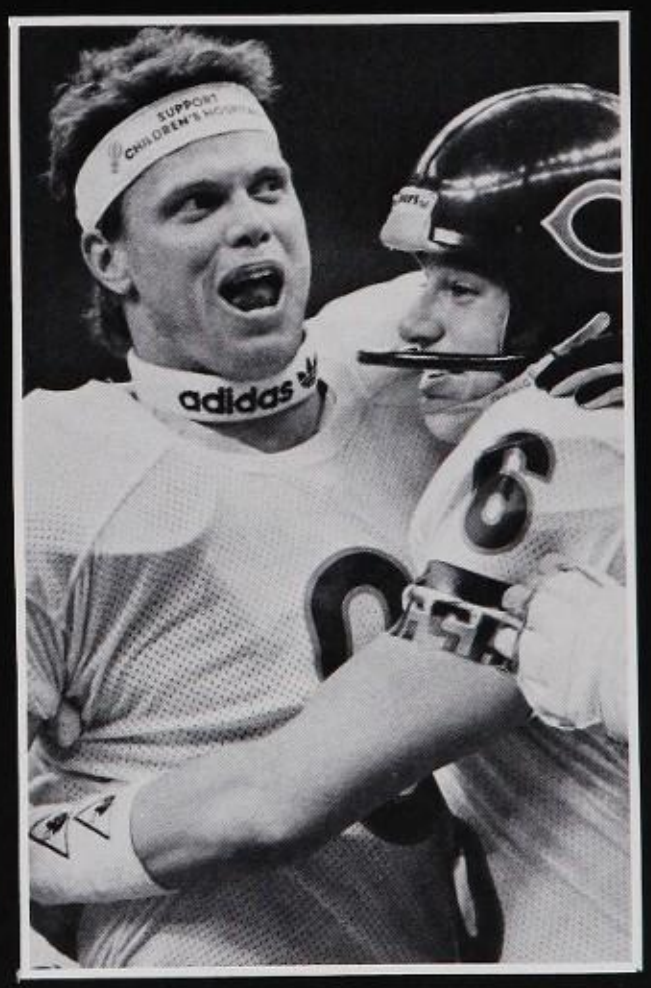
Space walker **James van Hoften** stands tall at the end of the robot arm of the space shuttle **Discovery.** *(right)* after successfully launching the repaired Syncom Satellite in September.

As the space program moved forward, a tragic explosion *(above)* of the space shuttle **Challenger** killed all seven crew members on the morning of Jan. 28. The explosion was the first in flight disaster in 56 manned U.S. space missions. **Christa McAuliffe** *(top, right)*, a teacher from New Hampshire and the first civilian to enter space, was one of the members on board.



SPORT NOTES

In baseball, Cincinatti Reds player-manager **Pete Rose** broke Ty Cobb's career hit record in September *(left)*. The historic NO. 4,192 hit was a single to left field on a 2-1 pitch from San Diego Padres right hander Eric Snow.



HIGHLIGHTS OF 1985-1986

AIRPLANE HIJACKING

A **T**rans **W**orld **A**irlines jet with 145 passengers and eight crew members was hijacked in **Athens,** Greece in June *(right)* The **Sheite** hijackers took the plane to Beirut, then to Algeria and then back to Beirut. Most of the hostages were released within days, but the remaining 39 hostages were held for 17 days. One American hostage was killed.

"MOVE" MUST MOVE

An entire city block was destroyed in **Philadelphia.** *(left)* Police tried to evict members of the radical group **MOVE** from their fortified rowhouse by dropping a small bomb on the building. A fire was started and about 60 houses were destroyed.

TERROR ON THE HIGH SEAS

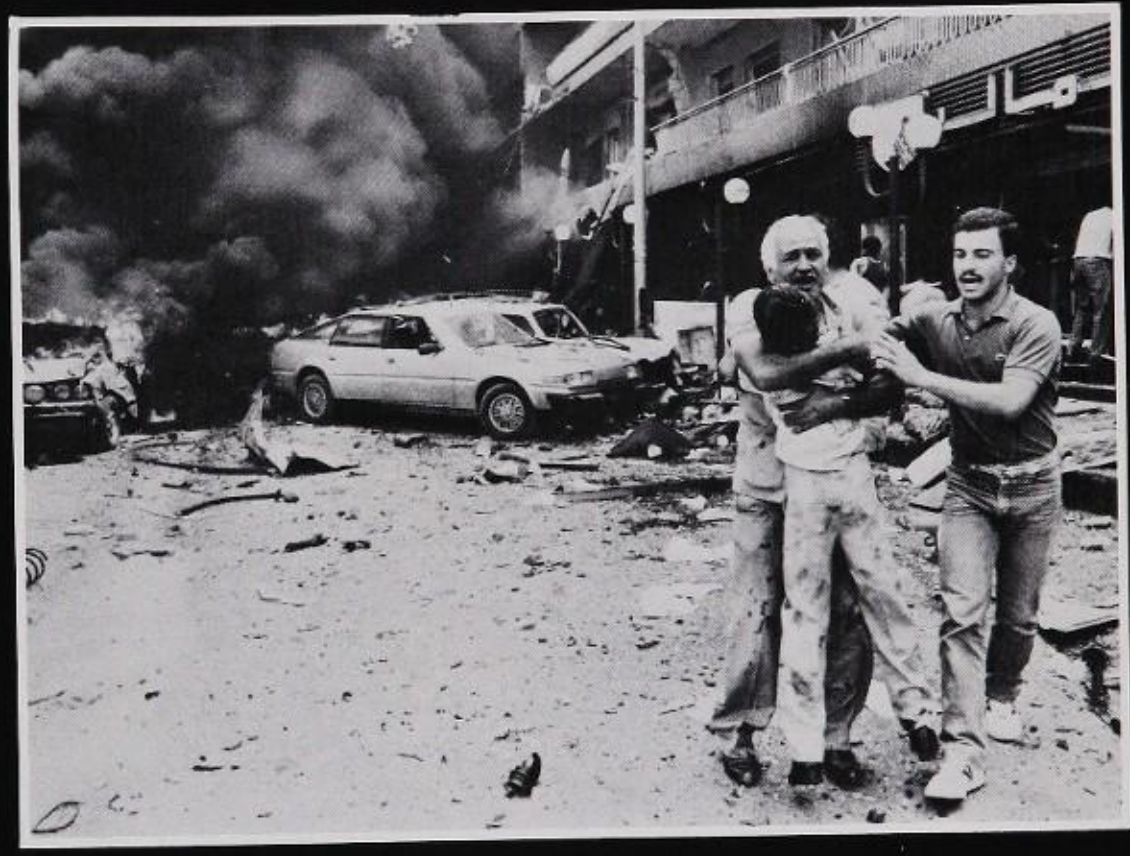
Four Palestinian terrorists hijacked the Italian cruise liner **Achille Lauro** while on a Mediterranean cruise *(right).* One American was killed. After the ship was released, the **Egyptian** government agreed to return the hijackers to the **PLO.** However, the hijackers were intercepted by **American** jets as they were flown out of Egypt and returned to **Italy** to stand trial.

APARTHEID VIOLENCE

Riots were almost a daily occurence in **South Africa** as blacks protested in this photo *(left)*, a white man runs from a jeering group of stone-throwing blacks in downtown Johannesburg as widespread violence continued to breakout throughout the country.

MID-EAST CONFLICTS

The war in the Mid-East continued in 1985-1986. A distraught Moslem man hugs his son moments after they survived a car bomb explosion outside a **West Beirut** restaurant in late August. They are shown being hurried away from the carnage by another man as cars burn in the rubble-strewn street. *(right)*



NATURE AT HER MOST CHAOTIC

A dam burst in **Italy** and killed 200. A land slide in **Puerto Rico** took 150 lives. **Columbia's** 17,716-foot **Nevado del Ruiz** erupted, leaving more than 20,000 dead or missing in mud and ashes.

A series of devastating earthquakes rumbled through **Mexico City** *(left)* in September and the death toll was in the thousands. Few in the Metropolitan area of 18 million escaped the effects of the first quake, which registered 8.1 on the Richter scale; or the second quake, which measured 7.5.

In High School, we have shared experiences that will be treasured for a lifetime. The yearbook staff has tried to capture some of those special moments in the preceding pages. As editor of *El Camino* 1986, I would like to express my sincere appreciation to all of those people whose time and moral support helped make this yearbook possible. The list is far too extensive to mention here; however, I must say thank you to our advisor, Mrs. Garrison, and to White's Studios for so readily providing us with photography services. As we reflect on those special memories and achievements, it is important to remember those that made it happen. A special thanks goes to the photographers and staff members who sacrificed their own time to make this one of the best yearbooks ever.
